

Main Offices Social Distancing Protocol

We've decided to use the mandates from our city and county to upgrade our customer service to all of our families. Therefore, in order to provide you with the most efficient and best quality service we are asking you to:

- Please contact the school office to make an appointment. You may call either office at any time of day and weekends, leave a message letting us know you are requesting an appointment to come in. Someone will get back to you within 48 hours...most likely sooner.
- For your convenience, we will make our parking lots available to you. Elementary school entrance on Hazeltine, High school entrance on Community.
- Call us when you arrive, you are welcome to wait in the comfort of your car.
- We will see people according to appointment times.
- One of our safety-patrol officers will happily come to your car to let you know when we are ready to see you.
- Everyone is asked to please wear a mask.
