Mrs. Hernandez will be teaching the basics of cheer to students in this exciting and fun two season afterschool activity. With health conditions permitting, students will get to cheer at a flag football game, as well as make a guest appearance at a high school game. Students will wear masks while cheering and be spaced appropriately.

Students should report to daycare after school to eat a snack, use the restroom, etc (free of charge). Mrs. Hernandez will pick them up from daycare and return them to daycare (if needed). For practice, students may wear their PE clothes (please no short shorts/or tight tank tops). There is no need for the little ones to change.

Please return this form to Mrs. Braganza in the main office or your child's teacher. The spirit squad is open to both males and females. *Please note the cost of the uniform is in addition to the sports fee below.*
