Directions for Elementary Drop Off

Please drop off your student on Community Street (like you always do). Then head to find parking at the Presbyterian or in the neighborhood. There are approximately 80 spots at the Presbyterian (first come/first serve). Then, please head to the stands by 3:30 to get your spot.

What if I can’t get off work and am coming late?

Students in grades 7-12 should check in through their respective main offices to receive a tardy slip and then head over the stands. All parents, elementary and high school parents, please look for a Campus Safety Officer who will direct you to the correct location. We will have a side gate on Hazeltine open for you to enter through.

Questions

Is there school for students K-12 on Thursday or Friday morning?

No, there is no academic school in the morning for K-8. High school students will have one academic class starting at 2:15 pm (with the bell to get to class ringing at 2:05)

What is the objective of the events?

We have spent the last 18 months focused on academics without any opportunities for us to gather as a community. This is an opportunity for us to gather as safely as possible in outside bleachers to build community. We have greatly missed the opportunity to laugh, cheer and celebrate together. We will focus these two days on being present with one another and enjoying outside activities where we can socially distance safely.

Is there a Halloween Parade this year?

The Halloween Parade this year will take place during the Homecoming Parade. Students will get to wave to cars in their costumes and middle school student council will still judge the categories as they normally do. Instead of winners being announced at the flag pole...winners will be announced on the football field.
