

St. Genevieve Parish Schools

November 12, 2021

Dear Parents and Guardians,

I'm writing today to provide an update to the letter from Mr. Horn dated November 8, 2021; it was regarding a disturbance at our varsity football game against Chino Hills.

Mr. Palmeter, Mr. Yumul and I have spent a significant amount of time this week conducting interviews with people who were in attendance. Our goal has been to identify those involved and invite them to take responsibility for their actions. As you know, we take pride in being a National School of Character. That does not mean we are perfect, but it does preclude that when we make mistakes, we take responsibility and work toward learning from them.

I am happy to report that everyone we have invited to the table for conversations came willingly and amicably.

More importantly, I have been invited by the Luna Family, the Parra Family, and the Macias Family to extend their apology to our greater community for choices of their guests at the game, choices that do not support our athletic program's goal to *Pursue Victory With Honor*.

Our faculty and staff join me in thanking these families for coming forth and helping to exemplify the Six Pillars of Character.

Know that we hope to continue to build character in our students through good and positive examples.

Thank you to all who took time from their schedules this week to meet with us.

With gratitude,

Marlon Archey

Director of Athletics
