STUDENTS THANK TEACHERS AT RETREAT

Student Submission

Students at the Freshmen retreat on Tuesday, March 15, were given the chance to thank friends, teachers, and staff. This retreat was held to discuss issues at the school among the Freshmen class, and what could be done to improve. "It was nice. It was good to know that people appreciate the teachers," said Stacy Vargas. Students lined up one by one, standing behind a microphone, showing their appreciation as they each thanked their friends, teachers, and staff. Overall, many students and teachers considered the retreat a success thanks to all the hard work from Mr. Dinkha, Mr. Torres, Sister Pia, Ms. Acebes and many other teachers that volunteered.

ASB, the Associated Student body, has many students who care about St. Genevieve all year round. “ASB shows responsibility and caring. It’s something that allows me to be a role model for other people,” a past member said. Being part of ASB means you get to experience many more opportunities than a normal student. “Doing this with other people is really fun. “It’s great for leadership, and it’s important because it shows responsibility. We work extremely hard to put together things like events and clubs,” she said. If you are considering joining next year, be mindful of the hard, yet exciting challenges you will face. “It can be pretty stressful but fun at the same time. The hard work will all pay off in the end. There are many ways that you can meet new people.”

Softball, like many other sports, is very competitive but it also has its own kind of fun. The St. Genevieve softball league just began their 21st Season! Softball

players like Annabella Esparza have the greatest time playing the sport, giving them the excitement and fun while maintaining the elements of skill and competition. Bella shared how much she cares for her sport. “I love softball but I grew inspiration from others and mainly my father.” She has a deep regard for this sport many or few may have. “I look to live up to my Dad and brother, that is why I started softball.” She continued to state that her love for the sport also comes from friends and that is one of many benefits she can have when playing her favorite sport.
