

SGES Drumline

Grades: 3 - 8

Day: Tuesdays and Thursdays

Time: 3:30-5:30pm

Mr. Delgado will once again be working with our elementary students to learn the fundamentals of playing in a drumline. Students will work on rhythm, note reading, and learning how to play together. The work they do in this class will augment what they are already learning in their music class during the day.

The fee will help to cover the cost of instrument repairs, stands, and new equipment that may need to be ordered as well as off-sets the coaches stipend.

For more information regarding the program, please contact Mr. Delgado (delgado@sgps.org).

Fee: \$160 per child (covers cost and maintenance of instruments, stands, etc)

Mrs. Hernandez will be teaching the basics of cheer to students in this exciting and fun two season afterschool activity. With health conditions permitting, students will get to cheer at a flag football game, as well as make a guest appearance at a high school game.

Students should report to daycare after school to eat a snack, use the restroom, etc (free of charge). Mrs. Hernandez will pick them up from daycare and return them to daycare (if needed). For practice, students may wear their PE clothes (please no short shorts/or tight tank tops). There is no need for the little ones to change.

Please return this form to Mrs. Braganza in the main office or your child's teacher. The spirit squad is open to both males and females. *Please note the cost of the uniform is in addition to the sports fee below.*

Fee: \$160

SGES ROBOTICS

Grades: 4-6 (No experience required)

Days: Monday

Time: 3:15 – 4:45

Capped: 24 students (Gr. 4-6)

After a two year hiatus, we are so excited to bring back our afterschool robotics program for students in grades 4-6. Ms. Alibutod, who is going to be trained by a Lego Representative, will be leading this program with our students. They will learn the basics of coding/programming and teamwork while practicing critical analysis and problem solving skills. What a great addition to our STEAM curriculum.

There will be approximately 10 classes in the Fall and 10 in the Spring (dates TBA). We are also optimistic (although it's not confirmed) that the spring Robotics Competition at CSUN will resume this year as well (after being on hold due to CoVid).

The roster is simply filled on a first come/first served basis. Please return this form to Mrs. Braganza (braganza@sgps.org) in the main office or your child's teacher.

Fee: \$160 per child (covers the cost of shared robots)

Classes Start: Monday, September 19, 2022

Student Name (1): _____

Student Homeroom: _____

After Robotics, my child will be: (please indicate)

_____ picked up or _____ sent to daycare please

Students may report to daycare *before* robotics for free. However, all students must be picked up within 15 minutes of class ending (5:15) or daycare fees will be charged.

Payment:

_____ Check enclosed _____ Add to FACTS please

***PLEASE KNOW THAT STUDENTS MUST COMMIT TO ATTENDING ALL CLASSES (WE KNOW RARE EXCEPTIONS MAY OCCUR) AS THEY ARE BUILDING AND PROGRAMMING ROBOTS IN TEAMS!**
