GROUNDBREAKING FOR OUR

Inspiration Building

Thursday, September 1, 2022

6:00 p.m. Outdoor Mass

Presided by Archbishop Jose Gomez

Groundbreaking ceremony immediately after Mass

September 1

TONIGHT AT 6PM ELEMENTARY YARD

All school families are cordially invited to attend our Groundbreaking Mass and Ceremony for our Inspiration Building on September 1st at 6:00 p.m. The Mass will take place on the elementary school yard. Archbishop Jose Gomez will be our presider. We are excited to celebrate and give thanks to God and all our supporters for making this dream a reality. If you are picking up a student from daycare, please know this has been re-located to the Presbyterian property for the day.

Progress Reports

Teachers are finalizing grades this week - end. Progress reports for students on-watch will be issued on Tuesday, September 6. Reports need to be signed and returned. We encourage you to set up appointments with teachers/counselors as needed to make sure your student is on track for success!

Labor Day Facts

- First became a holiday in 1894
- Is always the 1st Monday in Sept.
- Is celebrated in Canada too
- Recognizes all the contributions the labor force does to help better America. Enjoy your well-earned day parents!

Gr. 4-8 Volleyball

More than 40 girls tried out for our education-based after school volleyball teams. Girls in grades 4-6 learn fundamentals of play & sportsmanship, while grades 7-8 play competitively against other local Catholic schools. Our rigorous "A" team (grades 7/8) prepares them to play on our high school teams. Let's have some fun and have a great season Lady Valiants!

DUAL ENROLLMENT

SG offers two excellent transition programs you won't find anywhere else in the Valley. This week, we will spotlight the Middle to High School transition and next week the High School to College transition.

MIDDLE to HIGH SCHOOL

Students in Grade 8 have the opportunity to earn High School & Middle School Credit simultaneously in the following 2 classes:

- CHINESE 1:** Upon completion of this year-long class, students will receive
- 10 units of high school credit
 - Placement into Chinese 2 freshmen year

This is an excellent option for all students interested in being able to competently communicate in one of the most spoken languages in the world. A highly sought after skill in today's competitive market.

- ALGEBRA 1:** Upon completion of this accelerated course, students receive
- 10 units of high school credit
 - Placement into Geometry freshman year
 - A chance to take the advanced entrance exam, putting them on an accelerated math track to complete Calculus BC senior year

This is an excellent option for our future engineers, nurses, doctors and anyone who will need to take math/science courses in college.

Middle School Electives

While students do not receive high school credit for these courses, these classes are designed to give students an advantage in their HS counterpart classes while exploring and honing their natural interests.
