# HOMECOMING

Dear St. Gen Community,

I am delighted to report that we are off to a sensational start of the school year! The vibe on both campuses is positive and happy. It is my hope that you are receiving reports from your child(ren) that they are happy here and the Valiant Spirit is ALIVE and WELL.

Homecoming Week is right around the corner, and I encourage every family to participate in the unique events happening that week that can involve the entire family...which include our guest speaker Dr. Gerald Durley, the Homecoming Mass, Dancing with the Valiant Stars, the Homecoming Parade and the game against St. Anthony.

Our community is what makes us special; our Valiant Spirit is the reason your child loves their school. The daily reality we live does not happen by accident; we work diligently at creating an exemplary environment.

Homecoming week is everyone's opportunity to contribute. We ask for your patience during that week. We encourage your cooperation during that week.

And most of all...we invite your participation during that week!

Gratefully - Dan Horn
