## A GROUNDBREAKING MASS

Last Thursday evening, we held a groundbreaking Mass to celebrate the construction of our new Inspiration Building! This special Mass was led by Archbishop Jose Gomez! On this day, we were granted a blessing from the Archbishop and all our other priests, who, with our many donors and parishioners, broke ground near our soon to be Inspiration Building and Performing Arts Center! This truly was a historic and special Mass for all of us. Thank you to everyone who attended this momentous occasion. This ceremony will forever be an amazing moment in the history of Saint Genevieve and Panorama City!

## A.. JOKE..?

Hehe. More Cheesy jokes from a cheesy Student Council..

Q: Which cheese is the smartest?

A: Cheese Whiz!

# ELEMENTARY VALIANT NEWS

## A WARM WELCOME!

When we have new members on campus, Saint Genevieve's goal is always to help them feel welcomed. This school year especially, we were introduced with new teachers, but that isn't all! We also introduced two new instructional aides: Ms. Aide Colmenares in KA and Ms. Erika Estrada in KB! They must be very patient to work with so many kindergarteners every day in the classroom and on the playground! We know that they'll put in their best efforts to help our kindergarteners grow into awesome first graders! Let's welcome them with open arms.

We asked some questions to ask our new instructional aides and here's one! "How do you feel about coming to Saint Genevieve Elementary?"

"I was very excited when I was first interviewed. Everyone seems like a close community, and I was excited to be a part of it!" -Ms. Colmenares.

We're very excited to see you working at KA! Let's all make sure to Welcome Ms. Colmenares to Saint Genevieve!

"Happy." -Ms. Estrada.

That is a short but sweet answer. We're very excited to have you here working with KB! Welcome to Saint Genevieve Ms. Estrada!
