

SGHS VALIANT NEWSLETTER

(Mr. Bencomo and Ms. Palomar at the Hollywood Bowl)

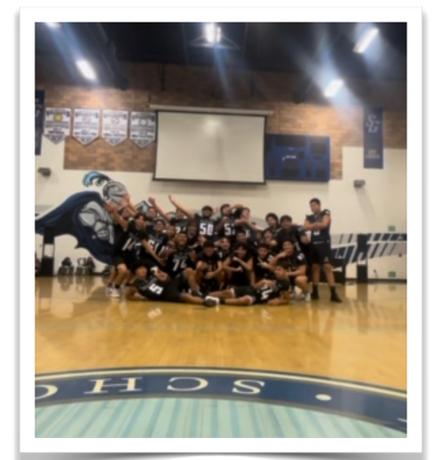

WELCOME NEW TEACHERS

Say hello to some of our new Teachers and Staff for the 2022-2023 school year! Welcome to Saint Genevieve! We are so happy to have more members apart of our Saint Genevieve community. These friendly additions to our staff include: Ms. Danielle Acebes (Religion), Ms. Monica Palomar (Spanish), Mr. Eugenio Quiroga (Spanish), Mr. Jose Alvarez (English), Dr. Sarah Hinds (English), Mr. Shane Wood (English), Mr. Aaron Stillman (Biology) and Mr. Joshua Williams (Visual & Performing Arts). As another school year progresses, our teachers have already set an example as to what a what Valiant is and create their own marks on the school. Ms. Monica Palomar is one of the many role models our school has had the honor to have. She is our Spanish 3, Spanish 3 Honors, and AP Spanish teacher.

“Ms. Palomar is a great Spanish teacher because she works hard to make sure that all of us learn and understand the language. She always encourages students to participate in class and is very patient in helping all students that have trouble no matter how many questions they may have. She cares about all of her students and is very flexible with the work she gives, especially those who participate in sports or other extracurricular activities” - junior Marcus Ocampo.

FIRST VALIANT PEP RALLY

It's safe to say that now we have successfully settled into our lovely Valiant community. Part of being a Valiant is celebrating school spirit, and that's exactly what we exhibited last Thursday during our pep rally! We gathered K-12th graders into the gym and celebrated our school's fall sports teams (volleyball, cheer, dance, cross-country, football and elementary Chess team) with a series of activities, competitions, and performances. Students got to see performances from the elementary and high school cheerleaders, dance team, and marching band. Students from the elementary school also had a special Irish Gig performance. As for games, high schoolers cheered on their little brothers and sisters in a game of musical chairs. Our very own teachers took on some of our Varsity football players in a game of Tug of War. Only the Valiants can showcase all of the energy and spirit that was in that room moving further into this year. **We Are SG!**
