ASH WEDNESDAY CELEBRATION

On February 22, Tuesday morning, the elementary school, middle and high school gathered together for a Lenten promise ceremony. During the ceremony, chosen students brought up their class' written lenten promises to be blessed, burnt and turned into ashes for the next day's Ash Wednesday mass service. On Ash Wednesday, grades K-12, assembled together again in the gym for a special mass, led by the visiting priest of the diocese of Wollongong, Australia. The ashes were distributed to all of the students and faculty as they remind us of our mortality, the need to repent and reflect on what we should fast from and feast during this 40-day period. This day signifies the first day of Lent which is very important to Catholics as it commemorates the 40 days Jesus Christ spent fasting in the desert and enduring temptation. Overall, it was a great ceremony with the entire school and our guests from Australia to celebrate this holy day.
