Food and Flower Deliveries Not Allowed

We need your HELP parents. We have noticed a sudden uptick in flower deliveries from parents for students (during school hours) and food deliveries (door dash, post mates, etc). Please know that our office staff CANNOT accommodate this. Please use the cafe services on campus & save gifts for at home. Gifts and food will not be accepted by staff.

Jimmy Carter

Has entered hospice care. Former President Carter has been to visit St. Genevieve 3 times! Take a moment to read the article below.
