Boys High School Soccer Wins CIF!

What an outstanding job to the High School Boys Soccer team for bringing home a CIF Championship! Winning any championship, especially a CIF championship is not easy feat and, we are so proud of their hard work! This amazing team is a mixture of freshman,

sophomores, juniors, and seniors. This team will go down in SG history and will help inspire students in the younger grades. We hope that their success will be the start of many more successes to come. We wish you luck with the rest of your incredible season! Now that the soccer team has won in the CIF championship,

they are now moving on to state. Valiants, they have already won the first round, and we highly encourage you to show them support, and watch their other games. Our community is a home, and we are a family. We are here for each other to show support win or lose.

Ash Wednesday Preparations

Ash Wednesday marks the beginning of Lent! We receive ashes on our forehead that is shaped like a cross. This cross reminds us of our morality and the need to repent. It also symbolizes that we are dust, and from dust we shall return. They symbolize the desire to turn away from sin and to follow God and have strong faith in him.

Ashes are traditionally the palms that were burnt on Palm Sunday. They are reused for the ashes on Ash Wednesday. However, the ashes that we used were from pieces of paper with our Lenten Promise. These papers were used for our special ceremony seen to the right. In each grade from Kinder to 12th grade, two representatives were chosen to carry their grades Lenten Promises to be burned.

But what exactly are Lenten Promises? Lenten promises are promises that you write to yourself at the beginning of Lent. These promises help shape us into being better people, and followers of Jesus.

Our Little Angels!

It's time to spotlight our one and only Little Angels Preschoolers! Although these guys are across the street, they are still united with us as one school.

They have been practicing their shapes and colors. The students are diligently putting in the time and effort, while still having a big smile on their faces! In fact, some of these kids have been learning since summer. Amazing job preschoolers!

Lent Promise Checkup

Last Wednesday marked the start of the Lenten season. Lent is a time to repent, reflect, and fast. In honor of this, we are asked to give up something important thing in our lives. It is easy for us to get tempted and break our fast, and that is okay! We all falter at times, but it is important to keep trying to become more like Christ. How is your Lenten promise going?

“My Lenten promise is to not ask my parents for a lot of game like Nintendo switch games and iPad games that cost money. Basically things that are expensive and cost a lot of money.”
Luis Garcia 4B

“My Lenten promise is too fast from candy and for roblox. I feasted on not wasting food and doing things without being asked.” Samantha O’Donoghue 2B

“My Lenten is to fast from negativity and feast on positivity. By fasting on negativity, I get to experience something new and not the bad. By feasting on positivity, I get to see the good in everything that God has blessed us with.” Dahlya Banuelos 6B
