

# St. Genevieve Welcome Back!

## Return to School Reminders

### Single Entry Through Community Street

---

#### An Extra Safety Step for our Students & Families

Morning drop-off & Regular time pick-up will remain the same. Here are some adjustments you should know about. Thank you for your patience as we transition to a single entry point for the school.

**Arriving Late:** Late Slips for all students (K-12): Will now be handed out through the Community Street Entrance between the Gym & the Elementary School.

**Dropping off a forgotten lunch or instrument:** Please head to the Community Street entrance.

**Parent Check-in:** Any parent coming onto campus will be required to sign in through this single check in point.

**Picking students up early for appointments or from the Mrs. David (Health Aide):** Head to the single entry point on Community Street and the CSO's will work with the main offices to have your student brought to the gate as appropriate.

**Daycare pick-up:** Check in at the gate on Community Street. You will be able to walk to the classrooms to pick students up, after you have signed in.

**Watching a Game:** If you're coming to watch the volleyball game or your student in the soccer league, please sign in and get a visitors pass through the Community Street entrance.

**Reaching the Office:** You can still call the office and make appointments to handle necessary business, it's just the check-in procedure that has changed. This is an effort to make our campus more secure for your children. Thank you!
