HOME STRETCH FOR THE CLASS OF 2023

It is the beginning of May, which means it's nearly a wrap on the Class of 2023's high school careers. Throughout their time at SG, our seniors have developed the character and strength to be able to enter this new stage in life with their best foot forward. Monday, May 1st, was the final day for students to commit to a university that they've been accepted to, and our seniors were given the opportunity to come to school wearing a sweatshirt of the school that they will be attending in the coming fall! With soon-to-be graduates planning on attending schools such as Washington University, UC Berkeley, UC Irvine, UC Santa Barbara, Mount Saint Mary's University, Grand Canyon University, CSUN, USC, and even Yale, our Valiant community couldn't be prouder of the hard work and dedication of these students through their years here. It's surreal, it's daunting, it's exciting, and it's almost here. In two weeks we will be waving farewell to Saint Genevieve's Class of 2023. Congratulations Valiants, and we wish you the best of luck in your next chapter.

MAMMA MIA! COMES TO AN END

Part of the Mamma Mia musical

After weeks of preparation from the students at St. Genevieve, this year's musical comes to a joyful and exceptional end. Many people agreed that this year's musical was exceptional, and some people loved it so much that they even went to watch it twice! This musical was so wonderful that it sold out as well. Ivan Boada, who played one of the lead characters, commented that "Mamma mia was a transformative experience, and I'm incredibly grateful for all the support the school has shown for our theater department and I can't wait to continue our performances at McDill Hall." Many people can agree that this musical was an incredible experience, and our SG community can't wait to see how amazing our musical will be next year.
