Elementary Electives

Kicked off this week. Students now enjoy a full schedule of PE, Music and Art in addition to their core curriculum. These third graders could not hide their joy being back in the art room.

High School Fun

On Friday, we had a pep rally in preparation for the first home football game. Students had music, dancing in the quad, some fun games and even had a chance to "pie" a coach. St. Genevieve school spirit is alive and well!

Counselors (CPLA)

SG is proud to offer counseling services for our young people if they need it. We know young people today have so much on their plate and sometimes they simply need help to process it. If you are interested in counseling for your student, please fill out the form using this link.

Progress Reports

Grades will be updated and progress reports run on Monday, September 11.

It's early in the term and we want to catch anyone who needs help. Get ahead of the game and check Aeries and Gradelink now. Feel free to e-mail the teacher with questions.

Welcome Freshmen Dance - Tonight

Saturday in McDill Hall. All high school students are invited. Come and have some SG fun and meet some new friends. Permission slips required.

SPECIAL EVENTS

Please preview the list for special events during Sept/Oct.
Sports and individual clubs/activities have their own calendars.

AUGUST/SEPTEMBER

Kevin Hines - August 31

Join us as we hear about a man who attempted to commit suicide and learn about preventive things we can do to help support the mental health of all of those around us. This is also High School Back-to-School Night. Parents will have the opportunity to meet and greet teachers prior to the event beginning at 5pm.

PICTURE DAYS

Elementary: Friday, September 8 (Formal Uniform)
High School: Monday, September 11 (Casual Uniform)

Ruby Javed- Sept. 28

Join us at this evening day of school with our 7-12 graders as we hear from Ruby Javed who will be speaking about the dangers of Fentanyl.
All parents welcome.

OCTOBER

LOIDA LEWIS - Oct. 11

Join us for an inspirational talk from the author of the book: "Why Should Men Have all the Fun." These events help our students and parents see that anything is possible. Dream big and work hard.

SUNDAY HOMECOMING MASS - Oct. 22

More details coming but join us as we kick off this fun week.

Oct. 26- Dancing with the Valiants
Oct. 27- Homecoming Game and Parade (more details coming)

Halloween - Oct. 31

Elementary (PK- 8) carnival & parade

*No School for All Valiants on Monday, October 9 & Monday, October 30

A Year's Worth of Progress

Last year, around this time, we saw the foundation of the building beginning to take shape. This year (just Friday) - we had one of the Project Managers from the construction site come and talk to our elementary students at morning assembly about all the progress that's been made. You're apart of something great! Look what we're doing - building for the future! Only one more year to go.
