Dear Parents and Guardians,

We've entered a **Danger Zone**.

Last week someone drove over the foot of a security guard. (out of frustration)

This morning a driver intentionally bumped into a guard with a car!

Although no serious injuries, these are two serious situations that **must** serve as a precautionary tale.

Some drivers are endangering the very people whose job it is to keep our children safe...that's just nuts.

Any driver deemed uncooperative with our procedures risks your child's enrollment at St. Genevieve.

This is for the safety and well-being of everyone in the community.

Today we hosted a brief assembly with all students in kindergarten through 12th grades. Once again, we are asking students to help educate whoever is driving them to school by imploring you to:

- Use the correct arrival street,
- Use correct drop-off area.
- Only drive eastbound on Community Street.
- Be patient, aware of our neighbors and practice the six pillars of character, *Respect, Responsibility, Trustworthiness, Fairness, Caring & Citizenship.*

In conclusion, our team recognizes the vast majority of our parents and drivers *are* cooperating. We appreciate you. My guess is you are as frustrated as we are by those who remain stubborn and selfish.

Sincerely,

Daniel Horn, President-Principal
