

St. Genevieve Parish Schools

NewsLetter

Sept 15, 2023

Students work together to come up with a “clever” name for their homeroom in teams of 7-12 graders. Featured above - “Wang-tons” posing for a group picture.

Hollywood Bowl 2023

Thank you to all the parents for your help in making our trip to the Hollywood Bowl a success Wednesday night. Not only did students have the opportunity to work in teams to plan the picnic, they also practiced attending a concert with good citizenship and manners.

It takes a village to give our students these unique experiences and memories, so thank you for dropping them off later and picking them up on time. It was a late night but a night full of many successes.

All 7-12 grade students should now have a theme t-shirt. K-6 theme shirts are still being printed but we expect their arrival sometime in the next couple of weeks.

Hispanic Heritage Celebration

On Monday, right after school, ASB is hosting an afterschool food fair with a variety of culinary delights. HS students are encouraged to bring extra money to enjoy the food afterschool. ES Daycare students will also be brought over to purchase items if they bring money.

College Info Session

All Junior and Senior parents are invited to a zoom workshop with Mr. Bencomo. Please respond to the google form that was e-mailed to you.

Tuesday, Sept. 19 @ 6pm

Fentanyl Dangers

What is it and why is it so dangerous?

Mark your calendars to join us on Thursday, September 28 when Ruby Javed will talk with students and families about this dangerous new trend we are seeing.

Event starts at 6:00 in the Valiant Gym.

NATIONAL RECOGNITION

St. Genevieve students are recognized by the College Board for their Academic Excellence

This program celebrates students' hard work in high school and showcases their strong academic performance. The academic honors for rural area, Black, Indigenous, and/or Latino students are an opportunity for students to share their strong academic achievements with colleges and scholarship programs that are seeking to recruit diverse talent.

Let's congratulate the following 4 students!

AIDEN MARTINEZ
ASHLEY NEWTON
ISABELLA GARCIA
NATALIE BRIZUELA

HEAL THE BAY

Join members of the SG community next Saturday as they help keep our beaches clean by participating in the annual "heal the bay" clean up day.

Afterwards, many families simply stay and have a fun beach day and enjoy the company of the SG community. This year, Heal the Bay is requesting families to register individually. Head to <https://healthebay.org/coastalcleanupday/>

We usually meet at Wil Rogers State Beach!
