

# Homecoming Change War-Support SG!

An annual tradition during Homecoming is our Change War where all the students compete to raise money for two great causes. We split all money raised for these two causes.

## St. Genevieve Girl's Academy-South Sudan:

Did you know that St. Genevieve built and sustains a school for girls in South Sudan? Yes, it's true! Our sister school, St. Genevieve Girl's Academy, is on the continent of African in the country of South Sudan. Over the past eleven years, St. Genevieve has raised over \$78,000 to build a school and pay for its operations. Today the school educates over 50 girls. Bishop Eduardo Kussala, the bishop in charge of the school, has visited our school twice, most recently in August 2023.

## **2. Elementary School and High School Endowment:**

Both our schools have an endowment fund. An endowment fund is a savings/investment fund in which we never use the principal (money deposited in the account) but instead use the interest earned on the fund to support school operations. We continue to add money to the account every year and that increases the interest we earn. All students benefit from the endowment fund.

**We ask all families to donate to the Homecoming Change War. You can give your child cash money or write a check to St. Genevieve School-just put change war in the Memo Line.**

**Our goal is to beat the amount we raised last year-which was **\$8,242,60**. We can beat it, but we need everyone to help! Thank you.**
