MEET Ms. J

Ms. J is our new 4B teacher! She wanted to start teaching to make a difference and positively impact the students in every way. Whether that be academically, mentally, or socially. She loves building a close relationship with the students and their families. **Her favorite part of teaching is the interactions with the students.** No student is the same and each one is interesting in their own way. Ms. J has been loving her experience at SG. She loves the collaboration with one another, the kindness of the community, and how helpful everyone is. **“I wouldn’t want to be anywhere else,”** she said. Some hobbies Ms. J has is boxing, photography, going to the beach, traveling, and listening to music. A fact about her is that she is Armenian and speak the language. Ms. J also has been to every island of Hawaii and gone cliff jumping off a 50 feet cliff. Ms. J is a very adventurous person and loves what she does. **Let’s give a big welcome to our spectacular Ms. J!**

Topping Off Ceremony

October 3 marks a major milestone in the construction of our school. For the last beam that would go on the building, we had a symbolic **Topping Off Ceremony**. Since the month of September was dedicated to the pillar of character, trustworthy, each teacher chose one of their students who they believed best displayed trustworthiness. These students, as well as our high school ASB members, got the incredible opportunity to put their signatures on the last beam. These students represented our entire school community, making it a truly special moment for all of us. It was a way for each grade to leave their mark and show their **collective pride in the new school building**. This beam is a symbol of progress and completion. The ceremony brought together the school community, including students, teachers, and even community members, to celebrate this important moment. It's was special day that everyone will look back on 50 years from now as it represents **the beginning of a new chapter for the school**.

ELEMENTARY VALIANT NEWS

Super 6th Grade!

Is that the **super 6th graders** learning and working hard in their classrooms? Why of course it's them! Our 6th grade is taught by their amazing teachers, **Mr. Lopez and Mrs. Morales**. Mr Lopez is the ELA and social studies teacher who has been helping the 6th graders read short stories, write incredible narrative essays, and learn about the Stone Age. They have been working on their essays about their name and the story behind it. Mrs. Morales is the math, religion, and science teacher. In her class, the 6th graders have been learning about the respect of life, the creation of the world, and how the sun helps us. In math, they have been learning fractions, decimals, and number lines using pizza. Recently, the 6th graders went on a field trip to the **Holocaust Museum LA**. "My favorite part was seeing all the students be so attentive," said Mrs Morales. "My favorite part was seeing everyone getting along during the picnic; no one was left out!" Mr Lopez said. Our 6th grade has been learning so much and are having lots of fun in their classes. **Keep up the amazing work!**

Fall Football!

Starting on August 21st, the **Boys A Football** team has been very successful! Led by Coach RJ and Coach Chris, the football team has started their season **undefeated!** Practicing on Mondays and Wednesdays, the team stretches, and **prepares for the games** by learning offensive and defensive strategies. Coach RJ says to take practice with the right mindset and to not enjoy and have fun at practice, but instead at playing and winning games. With all their hard work they have a current record of **4-0, 4 wins and 0 losses**. Keep it up Valiants!

Starting their season on August 23rd, the **Boys B Football** team has been preparing and **practicing hard**. Coach Iaccino in practice, starts with warming up and stretching. During practice, Coach teaches how to run specific routes on offense, and how or where to defend on defense. The B Team played their **first game this Tuesday and won!** Great job, Valiants!
