Pick-Up Notes

Campus Safety Reports: Coach Tovar

High School

Thank you for waiting for the text from your child. The streets are clear from 3:00pm-3:05pm it's beautiful to see, I appreciate you doing your part. Those that still arrive at the lane without the text understand you hold up the line, and we are only trying to keep it moving. Please, we are doing our job and asking for you to do your part, just wait until you receive the text to pull into the lane

Middle School

Thank you for showing up on time and not creating backups. We appreciate your effort and cooperation. If you are picking up and they have siblings, please come 5 minutes after dismissal to give sufficient time for the siblings to be reunited and walk to the designated pick up.

K-6: Improvement

Kindergarten through 6th grade families thank you for communicating with your families about arriving early. We had a better week with this so thank you, we still had a few parents and grandparents arrive early please continue to remind your families.
