

St. Genevieve High School

Message from the Deans desk

Hello, Parents

I hope this message finds you well. The reason I am reaching out to you is because we are still having issues with kids staying on campus 20 minutes after the dismissal bell... We do not have the personnel to provide adequate supervision after 20 minutes of dismissal.

However, we do have a proposal for you to consider...eventually we will have no choice but to charge a fee for any kid who hasn't been picked up after 20 minutes of the dismissal bell. The fee would be used to hire personnel for additional supervision for your child for after school. Our number one focus is your kid's safety and to make sure they always have supervision while on campus.

Some of our students are using it as an excuse to stay after school to hang out with their boyfriend or girlfriend. We are considering an after-school supervision program.

We would like to know what the interest level is. It will require a monthly or daily fee.

If you do not support this idea, feel free to send me an email expressing why. Please have a conversation with your child regarding this proposal. We really appreciate your partnership in helping make sure your kids are safe and are always supervised while on campus.

I hope you have a blessed and relaxing weekend. Happy Holidays!

Respectfully,

Mr. Delvon Roe
Dean of Character
