From Campus Safety

Kinder-1st, 4th

Parents, we are sending you back around when the pickup lane is full. We cannot create a pile up along Murrieta. When we do that we block traffic coming Northbound or Southbound.

2nd, 3rd, 5th

Thank you, the right turning from Hazeltine is dwindling down.

6th Grade

Thank you, the double parking and cutting off other parents is declining and appreciated.

7th-8th

Parents, I noticed you turn into the lane when there is no space and block half of the road for traffic traveling east, this backs up other traffic lanes. If there is no room. don't turn.

9th-12th

Parents this week the guards have spoken to 20 vehicles about waiting in the lanes. If your child is not out - you will be asked to circle around.

Thursday, February 15: Student Empowerment

Justin Fatica delivers a powerful message through his program "Hard as Nails" challenging students to know their importance in this world and know the impact they can have on those around them. Watch your student learn just how "AMAZING" they are during this evening day of school and drive home talking to them about how "AMAZING" you think they are too. Join us for a critical evening boosting our young peoples self-esteem and confidence in themselves as they continue to grow and mature into Godly men and women.
