HELP US BECOME A CASHLESS CAMPUS...AND A SAFER CAMPUS

It feels like the world around us, even the neighborhood around us, is becoming more dangerous each day. As the population of our neighborhood increases, there are fewer police to keep watch.

Recently, it was reported, our mail carrier was held up at gunpoint.

Any business or organization handling cash is especially a target.

Therefore, we are asking each of you to help us become a campus without cash.

- Make payments online, with check or money orders

- For the time being, please do not bring any form of cash payment to campus without having an appointment and letting your point of contact know you are intending to pay with cash.

Lent Begins

On a beautiful Tuesday morning, the Valiants gathered around the flap pole to offer up their Lenten promises. During this 40 day Lenten journey - how will you grow closer to God?

On Wednesday, the new San Fernando bishop (Bishop Bahhuth) joined the Valiants for our Ash Wednesday services. As customary on a Bishops first visit to a school - he granted the Valiants a day off of school. That day is this Friday, February 16.
