Welcoming Guests

The Valiants welcomed more guests this week including our new regional superintendent team, a state senator and a group from the financial services at the dioceses.

To the left - Valiants are giving our local senator a tour of the St. Genevieve campus.

If there is one thing the Valiants know how to do - it's to be EXCELLENT!

Teacher Spotlight! Our very own Kindergarten teacher - Remie Sanders - was recognized as an outstanding educator at the Clippers Game on Friday night. Accompanied by her daughter (also an SG alum) and several fans (see page three) - we are proud of her and grateful to the parents that nominated and supported her.

A Note from Campus Safety

Happy Friday (now Sunday) Families!

Awesome job parents, we appreciate those of you who corrected your arrival to school and the drop off lanes, we see it and appreciate it.

Freshmen and Eight Grade Parents thank you, your lane is moving smoothly and efficiently. Students thank you as well for waiting for your rides at the designated pick up location.

Parents if you arrive early, the lane is full and the students are not out yet we ask you to circle around until you see the classes. Its for the respect to our neighbors they can't pull out the drive way or drive through.

Reminders and Tips

Elementary/Middle School don't like waiting in line? Come 5 minutes after dismissal time. No parking in the coned area, wait for students to be dismissed before coming to the lane. Do not pick up or drop off across the street, **it is not safe for you and your child.**
