## A Note from Campus Safety

Happy Friday Families!

**Parents if you arrive early, the lane is full and the students are not out yet we ask you to circle around until you see the classes. Its for the respect to our neighbors they can't pull out the drive way or drive through.**

Parents we are asking for your help with this one, we have had neighbors come up and tell us that they are still being blocked from accessing the street. Please put yourself in their situation how would you feel if you couldnt leave for work? Pick up your child from school? A medical emergency?

**IF YOU ARRIVE EARLY DONT START A LINE, DRIVE AROUND AGAIN, LET TRAFFIC FLOW.**

Reminders and Tips

Elementary/Middle School don't like waiting in line? Come 5 minutes after dismissal time.  
Use Roscoe to wait for your student to get out.

# Tae Kwon Do

Students had an opportunity to take their belt test this last week.

We now have red, yellow and blue belts now. Way to go!

Students get to study TKD on campus once a week with Master Adam. We're lucky to be able to offer this special martial arts class on campus.
