Tuition and Fees Explanation

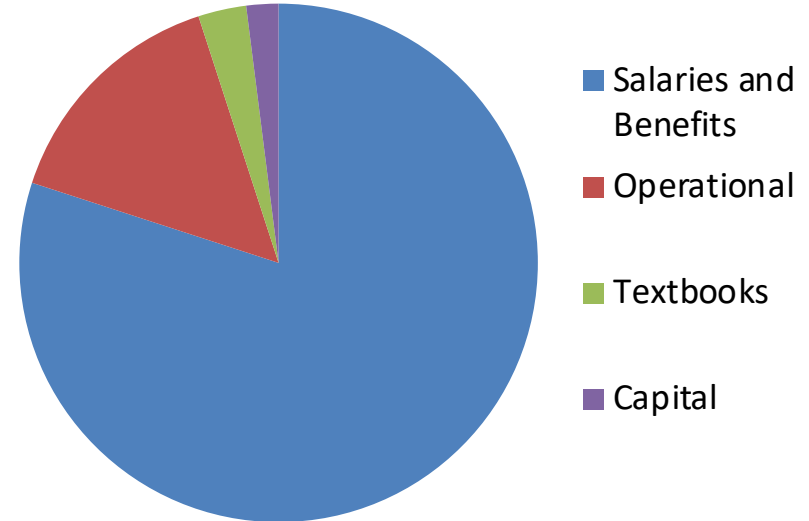

As mentioned in the re-registration letter sent, it is our goal to ensure we are retaining the excellent staff we employ here. This tuition increase allows us to provide our teachers with a well deserved raise as well as the excellent programs with have including art, music & physical education.

ONE CHILD TUITION INCREASE: Represents a **\$40 per month** increase for one student for a total increase of \$400 for a one child family per year.

TWO CHILDREN TUITION INCREASE: Represents a **\$30 per month** increase for each student for a total increase of **\$60 per month** or \$600 per year for two children families.

THREE or MORE CHILDREN TUITION INCREASE: Represents approximately **\$23.33 per month** increase for each student for a total increase of **\$70 per month** or \$700 per year for three children families. *Please contact the main office if you have more than three children.*

Tuition Expenditure

Please note that 2nd and 3rd children are highly discounted. The second child is only 50% of the cost of the first child. The third child and every subsequent child is approximately 25% of the cost of the first child.

Monthly figures above are based on a 10 month tuition plan. You can reduce your monthly rate by signing up for an 11 month plan. Please coordinate with the office staff when you sign your tuition agreement for the 2024-2025 school year.
