College Edition: 2024

We are so excited and proud of our graduating Class of 2024 as they begin to make the transition to their next phase in life.

May 1st traditionally marks the day that high school seniors from around the country participate in College Commitment Day. Students submit their decision of where they are going to attend college in the Fall.

A few college highlights for the Class of 2024 include decisions to attend USC, UCLA, UC Berkeley, UC Santa Barbara, UC Irvine, UC San Diego, Mount Saint Mary's University, and many more! We also wanted to highlight students deciding to pursue their education out-of-state including the states of Massachusetts, Missouri, Illinois, and Nevada!
